My Medicines—How Can I Get the Most From Them?

Fill out the medicine chart below for all the medicines you take. This will help you know how, when, and why you take each medicine. Make sure you know the name, exact shape, color, and any words on your medicines.

"I can live healthy and stay healthy with heart failure."

- Mark medicine refill dates on a calendar.
- Use reminder notes to remember to take your medicines.

Name and Strength of Medicine	How Much I Take	When I Take It	I Take It For	What My Pill Looks Like	Dates to Refill Rx	Special Instructions
